

Southeastern District *Ablaze!*

Ablaze! is a movement of the Lutheran Church – Missouri Synod to share the Gospel with 100,000,000 people by 2017 (the 500th Anniversary of the Reformation!)

Can you imagine the joy in heaven as we share one by one the story of God's gift of salvation through the life, death, and resurrection of his only son, our Lord Jesus!

The Southeastern District has set district-wide goals, inviting each member, congregation, and school to be **Ablaze!** in sharing Good News of Jesus Christ with another.

Goal I.

The Southeastern District will commit to surrounding the work of mission with the power of prayer by enlisting **3000 prayer partners and a mission prayer team for each new mission.**

Goal II.

The Southeastern District will share the Gospel with **2.5 million** people by 2017. Sound impossible? Well, **if each person would share with 4 people per year** – then we would reach more than 2.5 million people.

Goal III.

The Congregations and Circuit Mission Committees of the Southeastern District will partner to begin at least **100 new ministries** in the next 12 years. Already the possibilities for new work number more than 150.

Goal IV.

Leaders for outreach are equipped for ministry through **regularly scheduled workshops** available throughout the Southeastern District.

Goal V.

60 teams of outreach leaders will be sent forth in local and new communities to share the Gospel and initiate new mission centers.

The harvest is all about us. The time to reach out with the Gospel news is now! We invite you to pray, share, and reach out in new ways as the Holy Spirit through faith in Christ Jesus sets your heart ***Ablaze!***
