

Ablaze! Miracle Sunday

Thank you!

With your participation and support we have almost reached the Ablaze! for God's Mission goal of \$6,000,000. With your help, 23 missions in the Southeastern District are being funded, global mission work is being supported, and local circuits are funding new work. **Praise God for the generous hearts and actions of District congregations and individual donors**

We are almost there! A special Ablaze! Miracle Sunday will provide an opportunity for individuals in our SED congregations who have not yet participated in the mission campaign to do so. It can be a special Lenten offering that includes children in our schools. It will enable those who have made a contribution to add to their gift, if they so desire. Together we can reach the goal!

What if...

- ▲ each congregation gathered an offering of \$1,000?
- ▲ each family gives a one-time gift equal to a wedding or graduation gift?
- ▲ each communicant member gives up one restaurant meal for lent and gives price of it as their offering?
- ▲ each one gives a mission gift to the glory of God for God's work?

Together, we can reach the goal!

Prayerfully consider participating in this very important moment of mission support. We are making it as easy for your congregation as possible.

1. The Southeastern District invites each congregation to choose either Sunday, March 22 or Sunday, March 29 to be their Ablaze! Miracle Sunday.
2. Contact the District and let us know which Sunday works best for you.
3. Request bulletin inserts and designated offering envelopes.
4. Publish the weekly stories and information about Ablaze! Miracle Sunday.
5. Challenge your Sunday school children to participate in a special Lenten Offering for Mission.
6. Distribute the special Ablaze envelopes prior to Ablaze Miracle Sunday.
7. On the Ablaze! Miracle Sunday, receive the offering, record it as a designated gift and send the offering to the District.
8. Give thanks to God for his incredible goodness in our lives and pray for those whose lives will be different because they have heard the Gospel.

Check the Southeastern District website for regular updates, resources, and wonderful stories of mission at www.se.lcms.org.
